

**NCMDTM Exhibit for December 2025**  
**November 29, 2025 - January 3, 2026**

In celebration of Spencer's *Winterfest* over the first two weekends of December, the NCMDTM is offering an exhibit of **Winter and Christmas themed miniatures** and are asking for your participation as a miniaturist to share your creations! We will need your exhibits brought to the museum's location, 440 South Salisbury Ave., Spencer, NC 28159, on Saturday, no later than November 29th. The official opening of the exhibit will be December 4th. If you need to drop your exhibits off earlier, please contact the museum at 704-762-9359. All exhibits should be removed on Saturday, January 10th. You must bring the exhibits submitted on this form, no last minute substitutions, PLEASE. For signage purposes, please include a brief description of your exhibit (scale, "story", scratch-made or kit, etc.) on the back of this page. If you need more space for exhibit listing, feel free to make copies of this form. **Deadline for receiving forms is November 15th!**

We will have a vote for People's Choice awards during the first two weekends of December during *Winterfest*. Winners will be recognized with ribbons. Thank you for participating in the second, of what we hope will be many, many more miniature exhibits!
